7. Any person qualified as hereinbefore provided to vote at the first election shall be qualified to be a candidate for election as Trustee at the first election.

FIRST MEETING OF THE FIRST TRUSTEES.

9. The first Trustees of the said improvement district shall first meet on the first Monday following their election, and if the same is a holiday, then on the day next following which is not a holiday.

RETURNING OFFICER AND HIS INSTRUCTIONS.

10. Mr. James K. Robertson shall be Returning Officer for the first election of Trustees of the said improvement district. The Returning Officer shall call a general meeting of the owners of land within

the improvement district who are qualified as aforesaid to vote for the purpose of electing three Trustees. The Returning Officer shall, at least six days before the holding of the said general meeting, cause to be posted in six or more conspicuous places within the territorial limits a notice signed by him giving the date, time, and place of holding the said general meeting. The Returning Officer shall be chairman of the said general meeting and he shall have power to determine whether or not any person who applies to be allowed to vote for Trustees is qualified to do so. The mode of taking the votes at the said general meeting shall be as determined by the Returning Officer. The Returning Officer shall in case of a tie vote have a casting-vote, whether qualified as aforesaid or not. The Returning Officer shall declare the result of the election and shall return the names of the successful candidates to the Board of Investigation.

THE FIRST ASSESSMENT ROLL.

11. In the first assessment roll the lands within the territorial limits shall be classified into three grades upon the following method of grading:—

Grade A: Comprising the whole area of every holding (which expression shall in these letters mean any parcel or group of contiguous parcels of land held by one owner) which has an area of one-quarter acre or less and in respect of which an application for a point of delivery is made to the district on or before the date fixed by the Trustees for the return to them by the Assessor of the first assessment roll, and that portion of every holding which has an area greater than one-quarter acre and in respect of which an application for a point of delivery is made to the district on or before the date fixed for the return to the Trustees of the first assessment roll comprising one-quarter acre of the area of the holding plus ten per centum of the area thereof in excess of one-quarter acre, but not exceeding one-half acre of any holding:

Grade B: Comprising the whole area of every holding which has an area of one-quarter acre or less upon which there is a building and in respect of which no application for a point of delivery is made to the district on or before the date fixed for the return to the Trustees of the first assessment roll, and that portion of every holding which has an area greater than one-quarter acre upon which there is a building and in respect of which no application for a point of delivery is made to the district on or before the date fixed for the return to the Trustees of the first assessment roll comprising one-quarter acre of the area of the holding plus ten per centum of the area thereof in excess of one-quarter acre, but not exceeding one-half acre of any holding:

Grade C: Comprising all land in the district which is not classified in Grade A or Grade B.

12. For the delivery of water for waterworks purpose the improvement district shall, within a reasonable time after application is made therefor, provide at the boundary of the holding a point of delivery for each holding upon which there is a habitable dwelling at the time the application is made. Except as aforesaid, the Trustees shall not be obliged to provide a point or points of delivery to any holding or parcel of land, but, if they deem it in the interest of the improvement district to do so, they may provide an additional point or additional points of delivery to any holding or parcel or to the subdivided parts of a holding or parcel upon the owner making written application therefor and paying to the improvement district a bonus of such sum as to the Trustees appears just and reasonable. The owners of the lands to which points of delivery are provided shall provide the works required to carry the water from the points of delivery to the places of use, as well as the works necessary for utilizing the water. The Trustees may before providing a point of delivery to any holding or parcel of land upon which no person is residing require the owner thereof to pay to the district a sum not exceeding twelve dollars. The said sum shall be

credited to the person paying it as payment or part payment of the tolls payable by such person for the twelve months following the installation of the point of delivery.

SPECIAL PROVISIONS.

13. In fixing tolls the Trustees shall fix the tolls payable to the district in respect of the water supplied or made available by the district at not less than one dollar per service per month. Any revenue required by the district which is not raised by means of tolls may be raised by means of taxes. In levying taxes the Trustees may levy higher rates of taxes upon the land in holdings upon which there are buildings, but to which water is not supplied regularly by the district, than upon the land in holdings upon which there are no buildings or to which water is supplied regularly by the district.

14. Sections 200 to 213, inclusive, and Schedule B of the "Water Act" as amended shall not apply to this improvement district, and the following provisions shall apply:—

"An annual general meeting of the owners of land within the improvement district shall be called by the Trustees, and shall be held between the fifteenth day of February and the fifteenth day of March at a place within or in the vicinity of the improvement district, for the following purposes:—

"(a.) To receive from the Trustees a report on condition of the works and a statement of the financial condition of the improvement district:

"(b.) To discuss with the Trustees any matter relating to the works or finances of the improvement district:

"(c.) To fix the remuneration of the Trustees for the ensuing year:

"(d.) To elect a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, and to elect a Trustee to succeed the one whose term of office expires coincident with the holding of such annual general meeting.

"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discharging with the owners any matter or matters relating to the works or finances of the improvement district which in the opinion of the Trustees should be brought up at a general meeting.

"At least seven days' notice of every general meeting shall be given by notices posted up in at least three conspicuous public places in the improvement district. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The owners present at a general meeting, except the one called pursuant to clause 10 hereof, shall choose a chairman and secretary of the meeting.

"The secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly qualified agents of such owners, and are not of Chinese, Japanese, or other Asiatic or Indian race. In the event of the right of any person to vote at any such general meeting being challenged, the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Board of Investigation a true copy of the minutes of such meeting."

15. All words and phrases given special meanings in section 2 or section 165 of the said Act shall, where used herein, be ascribed the meaning given them in the said sections unless the context otherwise requires.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.

DOMINION ORDERS IN COUNCIL.

P.C. No. 1365.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 15TH JULY, 1927.

THE Committee of the Privy Council have had before them a report, dated 30th June, 1927, from the Right Honourable W. L. Mackenzie King, for the Minister of the Interior, stating that by Order in Council of the 18th June, 1925, the Abernethy-Longheed Logging Company, Limited, which is conducting extensive operations in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar timber for a period of six months; that owing to the congested state of the cedar timber market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated the 22nd January, 1927, for a period of six months, and whereby the timber exported was subject to the payment of dues at \$2.50 per thousand feet B.M. on logs grading No. 1, \$2 per thousand feet B.M. on logs grading No. 2, and \$1.50 per thousand feet B.M. on logs grading No. 3, which dues are in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion lands.

The Minister observes that it has been represented that, although all logs exported were widely advertised no offers whatever were received; that the Company logged a large quantity of very small cedar

in preparation for the Japanese market, but were delayed considerably this spring on account of weather conditions; that before the Company could place its product on the market a moratorium went into effect in Japan, and that in the home market all other grades of cedar are badly congested.

The Minister, believing it to be in the public interest, therefore, recommends that a further extension of six months be granted the Company to export cedar logs, subject to the payment of dues as authorized by Order in Council of the 22nd January, 1927, the operations to be subject to such conditions as he may determine, the local mills to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) G. G. KEZAR,
Assistant Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 3440-au4

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or

for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee or Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.

Dated October 30th, 1922.
